**CFR 1.131 AFFIDAVIT OF RICHARD A. BAKER, Jr**

I, Richard A. Baker, Jr., declare the following:

1. I am an inventor on this patent application and the Director of Intellectual Property for Schneider Automation Inc. the assignee of the patent and patent application in question. I have been in this position for the past 3 years. Previously, I worked in various engineering and engineering management roles for Schneider Automation Inc and its predecessor corporations.
2. The present patent application (09/635,278) was invented at the same time that the Papadopoulos et al patent (US Patent number 6,587,884) was commonly owned by Schneider Automation Inc.
3. Schneider Automation Inc. owns the Papadopoulos et al. patent, US Patent number 6,587,884, having received the assignment from the inventors before April 10, 2000. According to the records at the US Patent and Trademark Office, ownership was transferred from the inventors to Schneider Automation Inc in an assignment recorded April 10, 2000 at the US Patent and Trademark Office at Reel 010732 Frame 0446.
4. The present patent application, US Patent Application Number 09/635,278 is owned by Schneider Automation Inc through assignment from me on July 25, 2000 as obligated under the terms of my employment.

I declare under the penalty of perjury that the foregoing statements are true and correct.

A handwritten signature in black ink, appearing to read 'R. Baker, Jr.', with a long horizontal stroke extending to the right.

Richard A. Baker, Jr.
